ARTWORK

All prices are based on artwork supplied ready to print; please supply hard copies with the artwork. Our help sheet for large format printing is available on our website www.flash.com.au. Artwork charges based on an hourly rate will apply to non print ready files including colour matching, corrections etc. You will be notified prior to the commencement of any corrective work being undertaken.

PRODUCTION TURNAROUND

Pricing is based on the above stated turnaround time. Changes to this will alter pricing. Express service is available upon request. Where longer lead times are given the order may qualify for a price reduction.

Prices are valid for 30 days from the date of this letter. Any variations in specifications from the above quote will result in modifications to the pricing as appropriate.

INSTALLATION

All installation is based on normal working hours (8.30am-5.30pm) ONLY unless otherwise specified in above quote. Where an installation is cancelled within 48 business hours notice of the pre-arranged time, it will be charged at the full rate. If installation is required for self adhesive vinyl graphics, the surface must be prepared with a White Acrylic Undercoat followed by a White High Gloss Acrylic. The wall is to be sanded before each coat is applied to achieve the best possible result. All surface preparation needs to be completed at least 48 hours prior to scheduled installation date.

COURIERS

Courier and/or installation charges are additional unless otherwise specified.

INSURANCE

Where the Company is requested by the customer to arrange the delivery of goods via third party courier services, the customer may arrange insurance with Flash Photobition to cover any damage in transit or loss during the delivery of the goods. The cost of such cover will be 3% of the invoice value. Where the customer chooses not to take out insurance cover, the Company acts as agent only in arranging delivery. The Company will therefore not be liable for any damage or loss during delivery where contracted courier services are engaged.

PAYMENT

For all non account holding customers, payment is required before the job is dispatched from the company's premises. Please contact us to arrange a Tax Invoice if this is required to raise payment. Where payments are made using a credit card, there will be a 3% surcharge applying to MasterCard and Visa payments and a 3.5% surcharge for American Express.
