

Alternative Wool Markets: Wooltrade and WooltradePlus

Jemalong Wool
Wool Marketing Seminar

auctionsplus
agricultural auctions at a click

Who I Am

- Manager at AuctionsPlus and Wooltrade
- Support Wool Managers across Australia to list and sell wool.
- Facilitate the sale by bringing buyers and growers together

auctionsplus
agricultural auctions at a click

AuctionsPlus and Wooltrade

- AuctionsPlus has over 25 years experience in electronically marketing rural commodities
- For 13 years we have been owned by the three major pastoral houses in Australia but operate at arms length.
- AuctionsPlus and Wooltrade are not brokers. We facilitate the sale by bringing buyers and growers together
- Wooltrade & AuctionsPlus merged in 2009

The Internet Revolution

Why the internet for selling wool?

“If our product is easily bought and sold from the grower through to the mill, then this attracts competitors. Competition drives market places.”

Des Sheedy,
Managing Director, Primaries of WA.

auctionsplus
agricultural auctions at a click

The Internet Revolution

Livestock:

- 47,000 registered AuctionsPlus users
- 2.06 million sheep: largest yard in AU
- 236,000 cattle: 3rd largest yard in AU

Wool:

- 350,000 bales sold since 2002
- Auctioned 16,000 bales in 2011/12

Other:

- \$18 million in water allocations, 7,000 megalitres
- \$\$ Millions in farm machinery

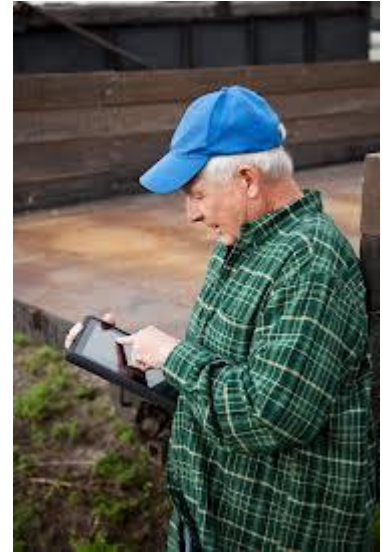

auctionsplus
agricultural auctions at a click

The Internet Revolution

- Where could the wool market be in 10 years...
- Efficient internet selling systems
- Access to buyers across the nation
- Instant market access 24/7
- Watch your wool sell on your phone or tablet
- Instant results – real time information

The future is now...
